Thank you to everyone who contributed to the success of our NO KINGS DAY rally in Leicester last Saturday. We could feel the unity in the crowd – of 300! – and we know that we all left the Leicester Village Green energized and motivated to continue our work to defend democracy in America.

ACTIONS

QUESTION: Will the Rallies on No Kings Day, last Saturday, make a difference in the struggle against authoritarianism?

ANSWER: It depends on what each of us does this week.

SIGN A PETITION

Genesee Valley Indivisible has launched a petition campaign *Against Tax Breaks For The Wealthy and Budget Cuts for Ordinary Americans*.

The budget bill has not passed in the Senate, yet. After the Senate's changes, the bill goes back to the House of Representatives for another vote.

There is still time to persuade our leaders that this budget is a disaster.
