## OVERVIEW

Indivisibles,

We are NOT slowing down for summer! This newsletter is a list packed with **Joint Actions** you can take with fellow activists, **Individual Actions** you can take on your own and at a time of your choosing. Plus, there are several important and exciting learning opportunities in the last section, **Read—View—Learn**, including one on Tuesday this week and another on Wednesday!

I hope you will take a few minutes to look at all the possibilities, click on the links to learn more and put at least one activity from each category on your calendar for June and July.

In solidarity, *Walter E. Pond, Ph.D.*, Organizer, Genesee Valley Indivisible
